

Call For Papers

11th Comparative Analysis of Enterprise Data & COST Conference 2012

Date: 26-28 April 2012

Location: Congress Centre of Bundesagentur fuer Arbeit (Federal Employment Agency), Regensburger Strasse 104, Nuremberg, Germany

The aim of the conference is to promote scientific research using enterprise micro data. The conference is a unique meeting point for producers and users of these data, such as statisticians, economists and econometricians, but also an opportunity for policymakers to get acquainted with the newest research results and policy implications in this rapidly expanding field.

Topics of interest include, but are not limited to,

- resource reallocation and adjustment costs
- productivity
- information and communication technology
- R&D
- market competition
- exit and entry dynamics
- transition and development
- labour issues
- environment
- corporate governance
- corporate finance
- trade
- linked employer-employee analysis.

Keynotes: Eric Bartelsman (VU University Amsterdam)

John S. Earle (George Mason University)

Francis Kramarz (CREST-INSEE, Ecole Polytechnique)

Jonathan Haskel (Imperial College)

CAED invites submissions of papers for all research using enterprise micro data. Submissions should be either a full paper with an abstract of 400-600 words, including a description of the data used in the analysis, or an extended abstract of 800-1600 words.

Authors chosen to present papers at this conference will be notified by **31 January 2012**.
